Gottesman-Szmelcman Architecture Unveils The New Gordon Gallery In South Tel Aviv

January 1, 2017

Filed Under: Architecture, News

Gottesman-Szmelcman Architecture unveiled the new and third physical space for Gordon Gallery, one of Israel's leading art institutions, located in Tel Aviv, Israel. The 165-square meter contemporary art space was transformed from the ruins of a warehouse on the fringe of the city and extends the burgeoning south Tel Aviv art scene into the industrial neighborhood bordering Jaffa.
